## **Fire Protection Project to Begin**

ELLICOTT CITY, MD – A Howard County road construction project at the intersection of Hardy Road and Long Corner Road in Mount Airy is scheduled to begin on or about Monday, March 15. The project will involve minimal clearing and excavation to provide for the installation of a 30,000-gallon underground water storage tank for fire suppression. Weather permitting, the project is expected to be completed by mid-April.

There may be brief or intermittent delays in the vicinity of the Hardy Road and Long Corner Road intersection during the hours of 9 a.m. to 3 p.m., Monday through Friday, as a result of materials being loaded and unloaded. Flagging operations will be in place to direct traffic as needed, and signs will be posted to advise motorists of the construction.

For questions or concerns about Capital Project F-5972, contact Lisa Brightwell, Public Works Customer Service, at 410-313-3440, or by e-mail to [publicworks@howardcountymd.gov](mailto:publicworks@howardcountymd.gov).
