

# Census Jobs

The U.S. Census Bureau is recruiting temporary, part-time census takers for the 2010 Census. These short-term jobs offer good pay, flexible hours, paid training, and reimbursement for authorized work-related expenses, such as mileage incurred while conducting census work. Best of all, census takers work right in their own communities.

Census taker jobs are excellent for people who want to work part-time, those who are between jobs, or just about anyone who wants to earn extra money while performing an important service for their community.

To find out about job openings, please call the Toll Free Job Line 1-866-861-2010. These positions are the people who will conduct the census and are called “census takers” or “enumerators”. They walk door-to-door asking questions and work mainly evenings when people are home. Information is also available online through the State of Maryland website at <http://www.census.state.md.us/>.
